Lesson - 11. 23 -

1. Saviour of all - source  
 of life all from heart -

Bible deals more with  
 heart of man than with  
 any other subject - a  
 polluted source from wh.  
 flow all polluted waters -  
 a treasury of evil wh.  
 in the issues of life  
 is put out at usury &  
 increase mightily.  
 temptations - opportunities  
 seductions - only for  
 the flame already kindled -  
 2. Duty to keep - in order  
 to keep a man must  
 know - Sin, a science

to be studied experimentally  
 with the data a man finds  
 in his own heart - The  
 envy, jealousy, hatred, spite,  
 bitterness, meanness wh.  
 each one of us will find  
 within - wh. will come  
 into action in each of us  
 if we consent - wh. if our  
 best-friends knew they  
 would shrink from us.

Perfection - holiness - the  
 words seem to mock us -  
 the utmost the best of us  
 can reach is to spend the  
 unclean thing in the second  
 moment. In the first, the

heart has received it  
 sadly - envy, hatred  
 lust - selfishness  
 A man who keeps his  
 heart will battle with  
 them as they appear - but  
 no man has a heart  
 not - prone - hence the  
 power of temptation  
 wh. fell powerless upon  
 the whose heart was clean  
 3. With diligence - with  
 all diligence - much  
 more easy to sit down  
 & sing with the Lord's people  
 to keep the feet of his saints

Have we not a captain  
 of our salvation in whom  
 we trust? - but what  
 soldier is to shew the  
 most real trust in his  
 captain. the man who  
 neglects to keep the breach  
 before his own house. wh.  
 has been made his charge,  
 & says, The Captain will  
 see to it - or he who  
 says, The Captain will see  
 to all else, & to the end -  
 I will keep to the death  
 this breach he has set me  
 to guard. Giddy men.

with noble, imperious  
impulses, take this to  
yourselves - and yourself  
who is he that most  
feels his own helplessness.  
most depends on Christ's  
help - is it not he who  
thru the week has with  
most diligence kept  
his heart?

Prayer - hymn -

Baptismal Service -

Minister sits in  
pulpit - Child with  
parents beside pulpit

Address. Baptism

A washing - But carrying  
an inner signification - here  
a sacrament - As water  
cleanses the body - the  
blood of Christ cleanses  
the soul & to make the  
baptismal washing a  
sacrament: then must  
he persist in the cleansing  
blood - then exhortation  
to them & all parents  
on privilege & responsibility  
of baptism - Then child  
first sprinkled from  
font placed to pulpit  
beginning in name of F. S. & H. & W.  
& answer. Then prayer  
& closing hymn?

Ps. 51. I acknowledge -
